Capresso

MT 600

Model #445

with thermal carafe

10-Cup Programmable Coffee Maker

Features

- Milled steel housing provides superior strength and style
- Stainless steel-lined heating system eliminates contact with aluminum and reduces the need for decalcifying
- Brews 10 cups of coffee in under 8 minutes for maximum flavor and aroma
- Drip stop allows you to pour a cup while brewing
- Electronic filter indicator shows when to replace the charcoal filter
- 24 hour programmable LCD digital clock/timer
- Electronics retain all programming during short power outages up to 10 seconds
- Special setting provides maximum aroma when brewing 3–5 cups
- Safety auto shut-off after brewing
- Concealed cord storage

10-Cup Stainless Steel Thermal Carafe

Ergonomic handle, brew-through closed lid with drip-free pouring spout keeps coffee hot for hours and preserves aroma.

GoldTone Filter (included)
Easy to clean and eliminates the need for paper filters.

Charcoal Water Filter
Removes up to 82% of chlorine and other impurities from tap water.
One charcoal filter and holder included.

Soft touch controls with illuminated LCD display

Easy to read water level indicator
